Taichung, Taiwan -- Over three days, from July 19 to 20, 2020, a group of youth from Taichung City cycled 210 kilometers (130 miles) from the city to southern Taiwan, passing through Changhua City, Yunlin County, Tainan City and Kaohsiung City -- for the "Peace Road" activity in the country.

Along the way they delivered supplies, as well as performed dances and songs, for the elderly and others in need. After completing the journey, some of the youth shared that cycling on days when it was hot and sunny was no easy task. Through this activity, they could cultivate persistence and determination.
