

WFWP Malta - December Activities 2020 - Rev. Dr. Sun Myung Moon Centenary

Here are a couple snippets of some of the December activities we had in Malta.

Activity 1: A few of the WFWP Malta Committee and members met for a Christmas gathering for a short reunion. Due to the Covid situation we were limited in doing many physical meetings. But this small Christmas treat gave us the chance to be together and share freely about the past several months.

Activity 2: WFWP Malta members supported the setting up of the Rev. Sun Myung Moon Bicentennial Exhibition at the UPF Centre in Valletta.
