This Christmas season 2025, WFWP Malta initiated a Food Collection mini campaign to be later donated to the 'Food Bank Lifeline Foundation' in Malta.

This year, at our Christmas/End of Year party, which was held on the evening of Saturday 27th December, guests were invited to bring their donation and deposit it in a box at the party venue.

Members and friends, and families with children, generously contributed to this festive, social event, celebrating together while reaching out to others in need.
