On Sunday, 22nd March 2026, WFWP Malta hosted a guest speaker, the Catholic priest Rev. Fr. Fidelis Sopuru, at its Unification Centre in Valletta.

During his address, the young Nigerian priest reflected on his spiritual journey from childhood to the present day. He shared insights into his pastoral work with the poor and the sick, particularly in rural communities, where he finds profound fulfilment and joy in service.

Fr. Fidelis also spoke about the monthly gatherings he organises for women from parishes in the surrounding areas. Despite travelling long distances, these women attend faithfully and generously contribute their modest offerings to support the wider community.

The event concluded with a question-and-answer session, after which Fr. Fidelis was presented with the memoirs of the WFWP Founder, Mother of Peace. The afternoon ended with an informal social gathering in the coffee room, where participants enjoyed light refreshments and finger food together.
