Rosmarie Hack (October 23 1947 - August 20 2022)

Rosmarie Hack was born October 23,1947 in Mulheim, Germany. She lived there with her parents until she was 12 years old. Her father worked for NATO and was stationed in America. She came to America on a boat in 1960. She moved to Maryland and went to Walt Whitman High school. Then in 1965 she met the Unification movement in Washington DC. She left America to pursue her college degree in Germany. Then in 1969 she met with the Unification movement again in Germany and felt compelled to join. She went on to pioneer many cities in Germany, She has many spiritual children that joined and remain members today.

Then, in 1973 she joined her friends on a mission trip back to America. She worked for many years as a secretary and bookkeeper in New York. She was matched/engaged in 1979 to Benjamin Bruce Hack and a few years later in 1982 they were blessed/married in Madison Square Garden. When Rosimarie and Benjamin started a family they moved to Brooklyn to raise her family. They spent 13 years wonderful years and had three children named Chaim, Adalia and Elisa while in Brooklyn.

They decided to move to Westchester, New York. Once Rosmarie moved to Westchester she opened her home to numerous young people and friends. Rosmarie had a tradition of having family dinners every night. Rosmarie and Benjamin planned a family trip every year. When the children were older, Rosi returned to work, serving as activities specialist at a nursing home in their hometown.

At times Rosmarie struggled with depression. However, She helped many members with her strengths such as compassion and empathy. She counseled many families and friends. She is devoted to God, her family and helping others. She is survived by husband Benjamin Hack, son Chaim, wife Laura and three children Aaron, William and Eliana. Her daughter Adalia and husband Reony with son Ryden. And Rosi's youngest daughter Elisa. Her legacy will live on through her children, grandchildren and countless people whose hearts she touched.

Sincerely,

Randy Francis
