

International Families Celebration in Nature Outing in Finland

Gudrun Hassinen
August 2, 2020

In Finland, instead of Sunday service, our international families met for a celebration in nature on Sunday 2. August 2020.

Within teams mixing elder and younger people, we brainstormed over a quiz, shared each our hearts and thoughts based on given questions, did some more sportive activities, and did a photo shoot - all the while walking along fields, forest and the Vantaa river, bonding and enjoying each other's company.
