The Worcester Family Church celebrated Christmas on December 16 at the Point Breeze Restaurant in Webster, MA. They continued their beautiful tradition of inviting all the New England Unificationists to celebrate the true meaning of Christmas where friends and families express their thanks and gratitude to God and to each other.

Bishop Jerome Edgerton lead an inspiring service about the reality of going through life to understand what peace really means when they say Jesus is the Prince of Peace. Next, as the Blessing toast was conducted, Rev. Richard Buessing, President of Family Federation for a Heavenly USA, emphasized the importance of husbands' and wives' fidelity and respect to each other in order to build God's family on earth.

The celebration concluded with a delicious lunch, plenty of entertainment, games and activities, and a special appearance of Santa Claus and Mrs. Claus.
