

Let us Celebrate the 58th Anniversary of True Parents' Holy Wedding
with Jeongseong from our hearts.

Dear Brothers and Sisters,

True Parents gave encouragement to the world leaders and brothers and sisters by investing all their love and devotion through the 30 events—the New Year ceremony, True Parents' Birthday celebration, Foundation Day, the CIG leadership conference, to name a few—in the beginning of this year 2018, with only two years remaining until 2020.

We were strongly uplifted to surely accomplish the dream of Heavenly Parent and True Father and we made a powerful start for the realization of CIG with the unity of True Mother and each continent.

All the American leaders also made a new start with Dr. Ki Hoon Kim, the international vice president and the North America continental chairman and Rev. Richard Buessing, FFWPU president centering on True Mother. I understood the greatness of True Parents' victory once again through all the events and I was moved with much gratitude.

I deeply felt True Mother's day and night devotion for the sake of saving the 7.5 billion of all humankind behind the historical victory of the African Summit in Senegal. I made a new determination to support True Mother, who is marching forward with such devotion, with my heart of hyojeong.

Then True Mother came to the US in order to visit IPEC for FAMICON. True Mother said, "I came for you," and shared her hope for America and poured out her tremendous love. I offer my sincere gratitude to True Parents for showering her love with such a deep and vast heart.

May 1st will be the 58th anniversary of True Parents' Holy Wedding. True Parents' Holy Wedding anniversary is a day that we cannot measure the historical and cosmic value of with our own human knowledge. True Parents prayed, "O Heaven, may you lift up the flag of victory! O Earth, may you offer the gift of joy in front of Heavenly Father! Heavenly Father, I know that on this occasion heaven and earth are together in oneness offering glory, glory, and infinite glory to You. May all future generations keep and cherish this auspicious occasion." (*Chambumo Gyeong*, Book 1, Ch. 2.22)

Through the Holy Wedding, the victorious way of "True Parents" was opened. We are liberated from Satan's blood lineage through the Blessing and are able to inherit True Parents' true love, true life and true lineage. We are the most fortunate and happy people in human history. "I consider the Blessing to have been the most precious gift in my life. For you also, the greatest gift in human history is the Blessing." (*Cheon Seong Gyeon*, Book 5, Ch. 2.22)

It is also said, "The era in which the Blessing is given is the most important time. It is the time when God's wishes can finally be fulfilled and His grief of the past six thousand years can be resolved. It is also the time when the wishes of Jesus, who came to earth as the Son of God for all humanity, can be fulfilled. Moreover, it is the moment when people can truly love for the first time since their creation, and receive respect, honor and joy from the rest of creation. On that day, all evil disappeared and we will usher in a new era with the bright rays of [the] ascending sun.

Nature will rejoice, everything in the universe will dance with joy and we will welcome a bright new morning, the new morning of victory.” (*Cheon Seong Gyeon*, Book 5, Ch. 2.12)

We can feel how much Heavenly Parent and True Parents love us through True Mother. Also, all the prepared systems in the physical and spiritual world had been organized for the actual realization of the dream of Heavenly Parent and True Parents. The only thing that needs to be done is for us to fulfill the responsibility of heavenly tribal messiah and the restoration of nations. Then what are we supposed to do in order to return joy, glory and results to Heavenly Parent and True Parents? This is practicing “Hyojeong,” practicing a “life of attendance” and offering jeongseong.

“What kind of devotion should true sons and daughters offer? It should not stem from a life of mundane reality. Instead, you should offer devotion of hope, glory, loyalty and attendance. If this [is the] kind of legacy you leave behind when you pass over to the next world, the kingdom of heaven will belong to you and Heavenly Father will be your Father. Until now, you have offered devotion while going the course of indemnity. However, from now on you should offer devotion to join the realm of attendance, so that you can offer attendance to Heaven.” (*Cheon Seong Gyeon*, Book 11, Ch. 1.14)

Let us become one in heart with all the brothers and sisters in the US centering on Dr. Ki Hoon Kim, Rev. Richard Buessing and the five Sub Regional leaders and let the elder son nation of America offer jeongseong with gratitude and joy to welcome the most joyful day for Heavenly Parent, the day of our and humanity’s limitless gratitude and joy, the 58th anniversary of True Parents’ Holy Wedding.
