Parents Matching Convocation

We know that the matching tradition in the Unification faith and engagement process is an important milestone, not just for the child, but for the whole family.

If your family is thinking about the matching, you don't want to miss the **Parents Matching Convocation (PMC) on October 24-26 at UTS**. The PMC offers a great opportunity for parents to understand the Matching Process, learn from those who have matched their children successfully, and network with other families.
