### The Third Foundation Day Anniversary Celebration

#### Greetings from Pastor

Dear Brothers and Sisters,

How are you doing? Hope everyone doing well. Earlier this week I came back from Korea after the holy day celebrations. It was a great experience for me to attend the program this time. There were many different programs such as UPF international leadership conference, Peace Road project in DMZ, Cheon Il Guk Academy of Arts and Science and etc... in this Holy Days season. Under the leadership of True Mother our international headquarter organized everything very systematically. It was so inspiring to see the different organs of Cheon Il Guk governing system being implemented.

Another inspiring thing I could witness was the presence of so many new young members. Our movement is growing a lot all over the world, gaining a lot a new membership. I am sure the future of our movement is bright. Let's also make a breakthrough in our country.

Let me also take this opportunity to congratulate the newly blessed couple who received the blessing this time. I also want thank all of our brothers and sisters who support to organize our local blessing and all other programs surrounding this holy day season. With everyone's support we could bring great victory of God and True Parents.
