

Clifton, NJ Family Church E-News - A Celebration with True Parents

Manoj Jacob

November 18, 2016

Greetings from Pastor

Dear Brothers and Sisters,

How are you doing? I hope all of you are doing well. In little over a week, True Mother will come to America. Preparations to receive True Mother is in full swing. Many of our members and several of our Ambassadors For Peace are actively working on International Leadership Assembly (ILC) in Washington D.C. This ILC right after the elections are very important. True Mother is here to remind the leaders of this country about the role of this country in leading the world towards a God-centered culture.

On December 3rd, True Mother will be meeting and speaking to all of us at the Manhattan Center. It's a great blessing to all of us to meet True Mother again. Let us take this opportunity to invite people in our contact to meet True Parents. We are organizing a children's choir from all churches of District-3 to sing Christmas songs for True Mother at the Manhattan Center. I want to encourage all of our Sunday School children and youth ministry participants to join. More details will be available at the churches on this Sunday. Let's offer our best to God and True Parents and bring victory in our county.

May God bless you and your families.

Sincerely
Pastor Manoj Jacob
