

New Jersey celebrates True Parents' Day 2017 at the Clifton Family Church

Manoj Jacob
March 27, 2017

On the evening of Monday, March 27, Blessed families of District 3 gathered at the Clifton Family Church to observe the 58th True Parents' Day. Although True Parents' Day fell on a Tuesday (March 28), the community felt it would be easier for families to gather in the evening before when the Holy Day fell on weekdays. Around 25 people gathered for this event.

After the choir opened the night with song and prayer, a young Unificationist brother offered a musical piece by piano. Pastor Manoj Jacob decided that from now on, every Holy Day celebration will feature a musical offering.

Before the event concluded, Pastor Manoj reminded the community that True Parents' Day is not just a celebration. It also holds a reminder for all of us to practice offering a parental heart to our community.
