

## Clifton, NJ Family Church E-News: Meeting True Mother at East Garden

Manoj Jacob

December 22, 2017

### Greetings from Pastor

Dear Brothers and Sisters,

How are you? I hope everyone is doing well. For the last couple of days, True Mother is in the USA. Yesterday morning we had a meeting with True Mother at the East Garden. As usual, True Mother was very radiant and eloquently talk to American Leadership. She spoke to us very closely and told us that the most important thing is to understand the heart of God. She also mentioned that we could no longer allow the history of indemnity to continue. We need to start creating a better future for the generation to come. Let's focus of on building a future for humanity.

True Mother made some changes to the leadership structure of USA movement. She created five regions and put districts under this regional system to work efficiently and compete for the results. Let's support our Beloved True Parents with everything we have. True Mother reminded us that the only way for America to be saved is by going through following God and True Parents. Let's same America and the world.

May God Bless you and your families.

Sincerely

Pastor Manoj Jacob
