High Noon Summit New Jersey | September 28

High Noon is bringing the **High Noon Summit** to **Clifton, New Jersey** on Saturday, September 28!

This will be a great opportunity to learn about healthy intimacy and connect with the vision of a porn-free world of sexual integrity. Join us for informative presentations, moving testimonies, and connecting with others!

"This was a great opportunity to confront a difficult topic head-on. People shared their hearts deeply, practiced vulnerability, and practiced supporting those who trusted them with their deepest thoughts and feelings. To hear statistics and horror stories is one thing, but to hear firsthand about people's struggles, their triumphs, and ongoing improvements—that helps put much more impact behind the education! Hearing brave volunteers share themselves so vulnerable is immensely helpful." – Male, 24
