

Dr Balcomb (European FFWPU Chair) and Giuseppe Cali (South Europe Regional Chair) visit Madrid

Madrid, Spain, November 11, 2018

By Maryvonne Jamois

Dr Michael Balcomb on his way to New York for the event of November 12th, had a stop in Madrid on November 11th, to give Sunday service to our community. "God's new plan" was the title of his sermon. He began his talk remembering the 100th anniversary of the end of the 1st world war, which has been so tragic, and at the same time, as we know from Divine Principle, has

been a condition to prepare for the coming of True Parents.

The people who are blessed are not necessary the people who give to others. So where I am? It requires a continuous reflection from our part. He continued sharing some personal meeting he had with True Mother, and especially how True Mother determined herself from a very young age.

God has an amazing plan for every one of us, if I give my best, God has prepared the people who can really make a change. God is ready to do new things. Now is the time.

It has been a very beautiful and inspirational message which gave us more understanding of our True Parent's path, and the very special time we are living in.

Right after Sunday service he left for the airport as he had a flight for New York at 15.30. It has been a short visit, but we are very grateful for the time he shared with us, and

his desire to meet us in the midst of his busy schedule.

At the same time, we welcomed our Regional Leader Giuseppe Cali, who arrived on Friday November 9th, to participate in our WFWP event.

On Saturday morning we visited our training center, "El Manantial del Corazón", and in the afternoon we had a meeting with the families who wanted to hear and share about Tribal Messiah. Giuseppe gave us a guidance based on the book 2 "Becoming a Heavenly Tribal Messiah", and we had some time to have questions and answers and to share together.

After Sunday service with Dr Balcomb, in the afternoon, we met with our leaders here in Madrid. He explained about the Peace Road in the Balkans, and we share about Tribal Messiah and our activities.

We are also very grateful to Giuseppe for his time and this opportunity to share together as one family under God!

Thank you Heavenly Parent and True Parents!
