On February 5, (1.1 7 of CIG) at 7.00 am some families from Madrid community gathered to celebrate this very special day, celebrating 52. Heavenly Parent's Day, 18. Anniversary of Coronation Ceremony for God's Kingship and 60th True Parent's Day.

After reciting the Pledge together, and remembering the sacrifices made by True Parents especially during the first seven years course after the Holy Blessing, we showed two shorts videos from True Father speaking in USA, in 1974, and 1996. It's always very inspiring to see True Father speaking with so much energy and love for the audience. We finished cutting the cake and sharing breakfast together.

God's day has always been a very special day and we want to pass the tradition of celebrating it to our children and grandchildren.

We are grateful to our True Parents to establish this very special day and send all our love and our best wishes for our beloved True Mother for the 7th year of CIG.
