

ACTIVITY REPORT OF HUNGARIAN FAMILY March and April 2015

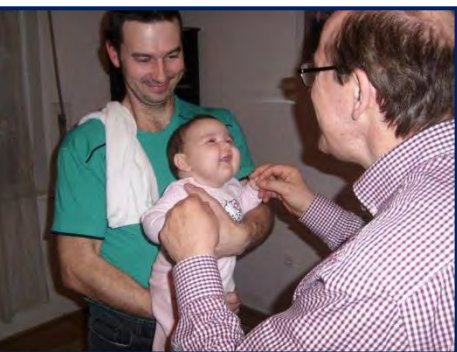

Connecting to CIG - Foundation Day:

After coming back from Korea our National Leader organized a Seminar to Hungarian Family in order to pass it on all the experiences with True Mother and the content of the FD events including the CIG Leaders Assembly as well. As part of the Seminar the awards of True Parents were also pass it on to Mrs. Catherine Roman who was the first missionary to Hungary, and awards to those exemplary blessed couples who got the seal of True Parents. At the end of Seminar the National Leader couple pass it on the candle of True Mother what she prepared to all of us to stay united with her in heart and love.

Visit of our Regional Leader, Mr. Rainer Fuchs:

From end of March till beginning of April Mr. Rainer Fuchs visited the Blessed Families and their communities in Budapest, Pécs, Győr and Szeged as well. He also visited their homes and shared his suggestions after listening them. This time Mr. Fuchs in his lectures were focusing to explain the restoration of blood lineage in a very practical way. Also he encouraged the members to understand that their way of thinking are absolutely determining their future and they are the owners of their life, especially in the age of CIG.

Tribal Messiah Seminar:

In the middle of April Tribal Messiah Seminar was held for the Blessed Couples and brothers and sisters in our Peace Embassy. The main lectures of the Workshop were based on the Tribal Messiah Seminar given at CIG Leaders Assembly in Korea 2015. After the lectures the

participants divided up into small groups. In the groups they were sharing testimonies, ideals, shared their hearts and challenges and strenghtened each other.

Education of AFPs:

The UPF continued to organise lectures and gatherings for the AFPs and for new guests as well in March two times and in April one time in our Peace Embassy. Also this time 11th of May when True Mother will speak at UN-Vienna we will have AFP who can attend the Conference.

Serving the Society, living for the sake of others:

Through the different NGO's of Unification Movement we try to continue to serve the different fields of the society. By taking care of old people and orphans, collecting clothes and items, offering used but good quality computers for other civil organizations and organizing cultural programs. The cultural program in the Peace Embassy was again recorded by the "TV channel six" and they broadcasted later.

Life in the small groups:

In the small groups of Budapest Community centering of the Group Leaders the members are continue to come together for different activities. Like group services, outing and do witnessing outreach, Il-Jung prayer, ect.
