

IFA Sunday Service August 5, Speaker: Rev. Hiroshi Matsuzaki

July 13, 2012

Hi everyone,

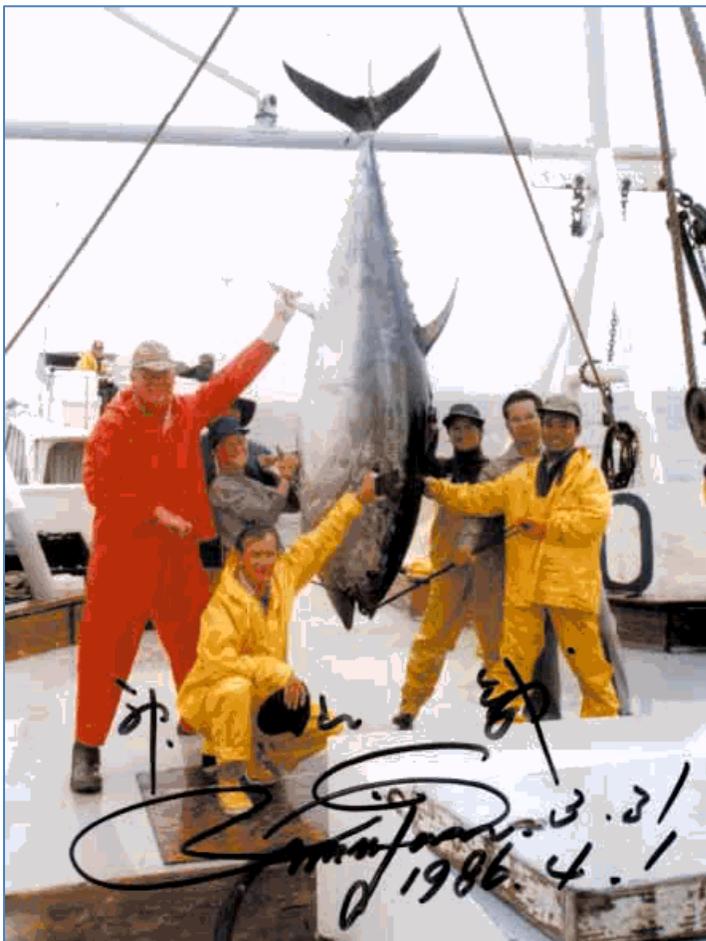

We are so happy that Rev. Matsuzaki can join with us on August 5th... he will speak from first-hand experiences with our True Family.

Rev. Hiroshi Matsuzaki joined JCARP in 1966 and was one of the first 12 Japanese brother missionaries to come to the USA. He has often fished with and attended True Parents and their family. He has greatly helped to pave the way for many of TP's miracles. He has served as an inspiring lecturer, charismatic leader and a deep hearted brother for America, the Philippines and the world.

Rev. Matsuzaki graduated the first class of UT Seminary in 1977. His focus has centered on the Pacific Rim. Today, he is the leader of the Island Nations Federation, NGO.

He was blessed to his lovely wife in the 777 Blessing in 1970 and they have 2 wonderful and faithful sons.

Hope you all will come on August 5th and be embraced in the love of our Heavenly Father.
