

Letter to District 10 (AK, ID, MT, OR & WA) Re: Boise Center Shutdown

Ray McCready
January 3, 2018

Beautiful downtown Boise, Idaho

Dear all, this is to inform you that the house that has served since the 1970's as the church center in Boise Idaho has recently been sold, as it no longer was in the condition to serve our needs.

Consequently, we are looking to volunteers, persons to assist in sorting and then discarding unwanted items, and in helping to move the Beresford family and their things either to a storage unit or (as available) their new living place. Currently the main work is planned for January 18-20, Thursday to Saturday, but as other dates may become available, please watch your local church bulletin for updates.

Able volunteers should be fit physically and ready to be flexible in working with M. Beresford for the sorting. As possible, Rev. Larry Krishnek, who joined in Boise and has family in the area, will be there around that time to assist in helping to direct the process.

For those willing and able to go to assist this very important work in Boise, District-10 is willing to reimburse for travel expenses, including gas or air fare, and also for short-term stay in a Boise motel, using room sharing as possible. As usual, please be ready to provide receipts to receive reimbursement.

A good scenario would be for someone with a truck who can go, or the local director may rent a suitable truck locally, along with a dumpster for discards.

For communication about this important project, please ask your local pastor, or contact me directly, as I have volunteered to act as a communication central point, in my capacity as Chairman for the District-10 Council. My mobile phone number is 206-595-xxxx; if I do not answer when you call please either send me a text or leave a voice message.

For those unable to go but wanting to assist, please feel welcome to make a targeted donation, by check with "Boise Center Project" in the memo area. The District bookkeeper is Itsuko Bodzewski, and the address to send donations: Family Federation Boise Project, 6601 NE Windermere Rd, Seattle, WA 98015.

Sincerely yours,

Ray McCready
Chair, District-10 FFWPU Council
