A Special Gathering

On the evening of Saturday, April 22, we had an educational evening for 1st and 2nd Generation children of 16 years and more. 19 participants joined us in this special event.

It was a special evening and the children began with Hoon Dok Hae from Cheon Seong Gyeong. We read from the book 4, Chapter 2 where it is talking about “Our Share of Responsibility and Fall”.

This was followed by exchanges and debates based on the Divine Principle content.

The children offered prayers and expressed their devotion and commitment to supporting True Parents by becoming True Children.
