

HARP Summer Camp

Lisbon, Portugal, 29. July – 3. August 2017

By Sergio Neto

Our summer camp workshop for this year 2017 was held between July 29 and August 3 and had the theme "Being a DIAMOND for God" and as diamonds we wanted to explore the pure, indestructible, precious, brilliant, strong characteristics that we received from God and through the various conferences and activities we realize how

important we are to God and how we can be diamonds that True Parents can feel proud of.

Three groups were created according to the ages: children, juniors and seniors to debate the themes, 28 young people were present.

As usual in the summer we wanted to feel the nature and love of God reflected in creation as such we camped in a park

equipped with a swimming pool and programs of activities that we can include in ours and that strengthened the groups.

Activities such as paddy paper, teamwork, group discussion, pool and lectures from Divine Principled, HDK, have enriched our meeting and made this time together a meaningful time for each of those present. In the end, everyone shared memories longing to meet again.
