

Tour de Peace Road Denmark 2022 in Copenhagen City Center

Karsten Nielsen

July 2, 2022

Today in Copenhagen City Center we did a 13 km "Tour de Peace Road" bicycle trip together with tens of thousands of other bikers, who took the same route as the 178 professional bikers did yesterday for the Tour de France Grand Depart, which this year began from Copenhagen for the first time ever. The weather was just perfect and a good preparation for the Berlin Peace Road event 27. July.
