The couples actively participated the holy juice ceremony, marriage re-dedication, true love stick ceremony, and started their separation period.

Prakash Babu Thapa gave the true love stick orientation briefly. One of participant felt that it was a real happy Hindu cultural marriage where families, mother's enjoyed dancing, and sing along with the famous singer Mr. Ananda Karki and his friend. The chief guest Dr. Purushottum Shrestha, Bhaktapur VDC, congratulated all the couples in behalf of the Bhaktapur District. Mr. Binod Dangi gave closing remarks for the participants.

Thank you so much True Parent for

the amazing lesson learned that no matter what circumstances we are in, the only way to live for the sake of others is to bring people to blessing, even in the most difficult times. To Heavenly Parent and True Parent be the Glory.
