Divine Principle seminar

We are holding Divine Principle seminars and workshops continuously students from different schools and the youth and for the Heavenly Tribal Messiah couples around the country.

We had 101 college student and youth graduated from 5-Day Transformative Divine Principle seminar in 3 districts during 2 consecutive weeks.

We also had 52 graduate from 148th batch of 21-day training. Attendees of 21 Day training are the inspired graduate of 5-day Divine Principle seminar who are willing to undergo higher level of training and education.

As of this time, the Divine Principle seminar participants are mostly from Heavenly Tribal Messiah activities. Parents are sending their children for spiritual training and awakening. Participants are showing their interest to work for peace and to dedicate their life for the salvation.

Heavenly Tribal Messiah Education Programs

Director of Heavenly Tribal Messiah Department, Mr. Prakash Babu Thapa, concentrated in giving higher education to the Heavenly Tribal Messiah couples including a deep understanding of divine principle, the importance of attendance, True Parents' life course, importance of tithing and donation and the significant of attending worship service... etc.

Along the way, people are feeling closer to Heavenly Parents through their teaching and love to humankind.

During the month of March, 83 local government officers gathered for Heavenly Tribal Messiah Blessing and mobilization for the upcoming Heavenly Tribal Messiah blessing event to be conducted on the 2nd week of April.
