

15 Day Divine Principle Workshop just Started in Albania

10th – 25th of July 2017

The most important workshop of the year just started today in Albania – 15 Day Divine Principle WS!

In total 115 brothers and sisters have gathered from all over Albania and Kosovo to study in depth the content of the Divine Principle, True Parents' life course, True Parents' words on tradition, formula course, family pledge, CIG era and other important content about life of faith.

Participant are divided in tow Clans, Red Clan and Blue Clan. And each of the Clans consist on four families. The atmosphere of the workshop is very high from the very first day and we truly hope that each participant will experience rebirth through the Word and taste what heaven is through the environment of true love created by the devoted staff.

The title of the workshop is: "The Power of the Culture of Heart"

The Motto of the Workshop is: Sincere Heart – Happy Family – World Peace.

Our goal is to make each brother and sister, participating in the workshop embrace True Parents and allow themselves to be embraced by True Parent's life giving love and offer the WS our beloved True Mother.
