**By FFWPU Kenya:** We held Married Priests (Bishops, Priests, Deacons, Reverends, and Pastors) workshop at Sasamoto training center on November 13-15, 2015. We have 30 participants and they were from different areas of the Kenya such as Kuria, Kisii, Othaya Nyeri, Kitale, Bungoma, Transmara.. They all participated with their wives.

This workshop was a training to empower the participants to prepare their own church members. At the end of the program we held a blessing ceremony for 3 couples [2 couples from Othaya Nyeri (Bishop Peter Wachira couple, Deacon Archangel Ndirangu couple)] and one couple from Kisii (Pastors Wilson m. Nyabuto couple). It was a joyful and successful workshop.

On November 14 during lunch time, we had a special prayer presentation for the 100-day ceremony of a second generation of Bishop Richard Muma's family. He is the first married priest's bless child in Kenya.

We are grateful in front of our Heavenly Parent and True Parent for the success.
