

## WFWP UK: Tea Party raises funds for women's needs in South Africa

Mitty Tohma  
June 21, 2023

A highly agreeable afternoon gathering was enjoyed by all who attended resulting in much positive feedback.

Karen Grant supplied a quantity of greetings cards to Carola Whitfield-Nunwick to raise funds for women's needs in South Africa.

The opportunity was also taken to promote an art exhibition in November to be held near Cheltenham in furtherance of the aims and objectives of WFWP.
