On 28 December 2025, the artist and writer Paula OZ hosted a Solidarity Dinner at Quinta de Santo António da Barota, Belas/Lisbon, gathering artists, writers, friends, and benefactors to celebrate unity, culture, and humanitarian values in a Season Celebration.

The event featured Dr. Marta de Carvalho, President of the Women's Federation for World Peace (WFWP) Portugal, as guest speaker.

By her consent, the WFWP logo was displayed in Paula OZ's commemorative magazine, highlighting the Organization's presence.

In her address, Dr. Marta de Carvalho introduced WFWP's mission, founders, and fundamental values centered on peace, human dignity, and social responsibility. She formally awarded Paula OZ the Global Peace Ambassador Certificate (GWPA) in recognition of her integrity, humanistic vision, and consistent and meaningful contributions to the artistic and literary fields. The distinction had been previously granted in October 2025 during a WFWP Portugal event that Paula OZ could not attend for health reasons.

Dr. Marta de Carvalho's earlier participation in Paula OZ's September 2025 Literary Festival had revealed Paula's profound human spirit, prompting her nomination for the Global Women Peace Ambassador (GWPA) title.

The dinner thus served as a meaningful occasion to present the award, warmly received by attendees.

The event also led to growing interest in WFWP's activities, with several participants expressing willingness to collaborate as future Peace Ambassadors.
