WFWP Norway is teaming up with FFWPU this Autumn to host the Marriage Course. The Marriage Course is a 7-week course for couples to revive, rejuvenate, and re-energize their marriage. The overall aim is to support our community of young families and strengthen the family by strengthening the couple.

Every Saturday evening, the couples come, enjoy a romantic dinner for two, and then follow along with the video-led course. Each evening covers important topics such as communication styles, love languages and resolving conflict.

The course was created by a Christian group in the UK, but the lessons it teaches are universal. We started this course on 19th October and will continue it every Saturday for 7 weeks until its conclusion. 4 couples are currently attending the course and we have a staff of 3 members running it each week.
