Join a Unique Online Meditation Led By the Two Peace Advocates, Rosie Henshaw and Rachelle Jeanty Aka Rayah (www.rayahmusiclove.com)

RAYAH (meaning Friend of God in Hebrew) - Singer songwriters, yoginis and peace advocates Rosie Henshaw and Rachelle Jeanty invite you to join them in their effort to create more peace in the world, starting with peace within.

Rachelle Jeanty has previously collaborated with WFWP Austria in 2019. President Renate Amesbauer invited Rachelle on their Vienna premises for a meditation session and two beautiful concerts. Their instant Love for each other promised further collaborations in the future.

Rachelle's new musical project RAYAH (www.rayahmusiclove.com) has a mission to connect all Friends of God through music, singing and meditation.

Evoking the Sacred Healing Feminine Power within all of us, that brings us to Peace inside, meditation sessions with RAYAH are always deep, spiritual, meaningful and powerful.

To share this with other women of the world is a dream come true for them. Rachelle and Rosie are delighted to welcome all the ladies of the WFWP to the IPR.
