

An activity of charity and raising awareness in Cërrik

21 march 2017, Cërrik, Elbasan – Shqipëri.

W-CARP Elbasan in cooperation with Cërrik City Hall and the help of a physical education teacher, Erald Shkodrani, organized on Thursday, 21. 03.2017 in Cërrik, a friendly match between W-CARP and K.F Turbina Cërrik.

The purpose of this friendly match was to generate incomes to support families in need, mostly in Cërrik and the nearby villages. On the day the match took place, there were 200 participants, including the mayor, Mr. Altin Toska. The friendly match finished with the result of 3-2 having Turbina's team win the match, however, giving everyone a feeling of happiness for being able to participate in this kind of activity with the purpose of raising awareness to people in need. They were expressing their desire to have activities of such nature happen more often.

Also, W-CARP Elbasan with representatives from the Cërrik City Hall delivered on Friday, 24.03.2017 support for 6 families, for which it were given food, clothes and a symbolic amount of money. We all feel happy for being able to help these families and we hope that more people can become aware that others need help and that they will be willing to offer it.

We are thankful to all the participants in these activities. We are thankful to Heavenly Parent and True Parents for having the opportunity to organize this kind of activities, and in the same time understand what is most important.
