The Blessing is a time of spiritual rebirth, so we want it to be a Campaign to Save the Nation by bringing God into the Families through the Blessing, and for it to be the beginnings of a great Spiritual Revival by our personal Repentance, and Intercession for the Nation, with Prayers of re-commitment, re-dedication and gratitude.

Four very good Ministers came to our Blessing Programme today. Pastor Ronnie German gave a wonderful Power Point Presentation on the Purpose of the Blessing and an excellent talk explaining the Blessing then he and Catherine officiated. Ronnie also led the singing with a great spirit.

The help and support of brothers and sisters is greatly appreciated – Anne Kobayashi and Rita O'Neill prepared the Refreshments, Naomi Gyoten supported the Blessing and Edward was heavenly inspired to come to LG today to set up our projector. John O'Neill is our champion, it is his dedicated outreach to Ministers that made our event possible.

Rev. George and Chika Amadi want to bless their church, Rev. Adolph Mutala heads a 50000 strong Congolese church and Archbishop Santhosh Desabattula joined us from India.

Bishop Peter and Prophetess Regina Joseph were delayed but we shall visit them and bless them at their home and spend a day teaching them further. We were blessed today when Matthew Huish could join us and meet some of our Pastors, with Bishop Peter closing the day with a powerful blessing on the work of the FFWPU.

Please pray strongly for the protection of these Ministers and especially for Rev. Adolph to bless his churches.

Blessings,

June Darby
