Today, 30th March 2019 A.B.C. (Association of British Clergy) held our first Seminar teaching 7 Pastors Divine Principle! Rev David Hanna gave an inspiring and deep presentation of Principles of Creation. Rev Isaac Ayani taught The Fall and the Mission of the Messiah. He gave an "evangelical presentation " that was very powerful.

It was very effective for the Pastors because he could speak in their "language " and was able to touch their hearts deeply as he shared the relevance of the Principle to their Ministries and to solving the problems of today's world, speaking from his own experience. We are truly blessed to have a Christian Pastor like him helping us. And we are doubly blessed by the support of David and Kungja Hanna.

I am very grateful for John O'Neill 's enthusiastic witnessing to Pastors that brings so many Pastors to our events. And I appreciate the support happily given by our sisters and brothers serving refreshments and in caring for our guests, and praying for our programmes.
