

BCLC Family Value Seminar at Lancaster gate, London, UK

June Darby
November 19, 2022

At first, there were only two guests, but we kept praying, and the Pastors kept arriving until we had 6 Pastors and four guests. Altogether, 19 attended, with 3 Pastors and one guest following online.

Rev Isaac Ayani gave an inspiring and dramatic explanation of the 3 Blessings and the Fall. Rev June spoke about Ideal Marriage and Family as Ron German was not well enough to travel.

When I stood at the podium to begin the presentation, my laptop went dead! But fortunately, Rev Isaac had the same Powerpoint on his laptop, and we could continue. We were fortunate to have Rev Dr. Nathaniel Oyinloye speak about How Christians can reduce crime in the Community. He gave deep and practical advice.

Betty Rodriguez kindly offered to drive me to London when she realized how much food I was taking and introduced a heavenly spirit with her beautiful singing in the beginning. Our MC, Jennie Thompson, sparkled and maintained a high spirit throughout.

We were blessed to have Psalmist Ayo open our afternoon session with a beautiful, inspiring song.

I express my sincere appreciation for the practical and prayerful support of our members who make these programs possible. The sisters who organize the refreshments - Rita O'Neill, Ann Cotter, and Naomi Gyoten; witnessing by John O'Neil, Bruno Klotz, and Jennie Thompson and prayer support from Bayo Sobambi, Ruby Flavell and Barbara van Praag. I am also grateful to Joseph Cotter for his patient kindness as he took care of the technical side.

Finally, I am especially grateful for the guidance of Dr. Balcombe and Mother Moon.
