We opened the meeting with a prayer and the beautiful song "The strangest Dream" and then watched an inspiring and informative DVD about WFWP activities worldwide.

Then we took turns reading about prominent women in the Bible, like Sarah, Rebekah, Rachel, Jochebed, and Miriam and discussed about their providential roles for their times. This lead on to discussions about the current political situation, in particular the concern about the unity between North and South Korea.

After that we enjoyed a lovely potluck lunch.
