Dear Brothers and Sisters,

Our beloved brother, Ronald Edmund Gurtatowski, passed on early this morning 6 AM, February 7. Ron has faithfully served our True Parents and God's Providence since the summer of 1973. He will be remembered for his kindness, humility and especially his love for children.

Ron is survived by his wife Jacquelyn, son Joshua and one brother Edmund. Let us support Ron's family during this important time and pray for his victorious transition to a glorious new life in the spiritual world.

Details regarding services will be forthcoming. There will be a prayer vigil at the Clifton Family Church for Ron in the chapel from today until the Sung Hwa service. Please call Carol Pobanz or Eriko Endo to schedule a time when you can pray (if you are unable to pray at the church, especially during night time hours please pray at home.)

Sincerely,

Manoj Jacob
