Victorious Life of Yoshitaka Inomata

Yoshitaka Inomata was born in Manhattan, New York on April 8, 1994. He is the eldest son of Yoshiyaki and Chiharu Inomata and elder brother of Kouki. He attended Jin-A Child Care Center in Clifton, and Little Ferry Public Schools through Middle School. Yoshitaka attended Bergen County Technical High School in Teterboro, NJ where he was especially fond of sports. He was very healthy, sturdy and patient. He enjoyed all sports, especially basketball and American football, and was the captain of his High School football team in his senior year.

Yoshitaka entered Rutgers University Newark in September 2012 and felt very happy as he prepared to transfer to the Rutgers, New Brunswick campus this coming September. He was an engineering major.

Yoshitaka has always been known for his friendliness, for being bright, cheerful and for having a very big heart. He was a most filial and Abel-like son who was said to be like "sunshine" to his family. Yoshitaka's family very much depended on him, especially during the time of his father's illness a few years ago. He cared for his parents faithfully, as he did his younger brother Kouki. Yoshitaka took responsibility to pay his own school tuition by having multiple part-time jobs. He will be missed by his parents, his brother and his many friends.
