For the past week, all missionaries from Next Gen Mission have been on the frontline in the southern states of Colorado, Texas, and Florida for their Winter Mission. We hope to share testimonies with you later. We thank them for their investment. Let's see this time as an opportunity to talk about next year! Applications for the Next Gen Mission year 2026-2027 are now open! If you know someone who is going to be a high school graduate or equivalent, or is looking to go deeper in their character, life of faith, and relationship with God and True Parents, encourage them to look here.

Next Gen Mission is not just a gap-year program; it's a significant time period to dedicate and invest in the greater community, setting an internal foundation to guide them for life.

On Mission, there will be opportunities to contribute to Family Federation communities across the nation, making an impact on the local level. Missionaries here learn what it means to serve and gain applicable leadership skills to bring home. Throughout the year, there will also be opportunities to go overseas to Korea, expand their worldview, and understand more about the roots of the movement.

If you would like to join the program, apply here:

THIS IS MISSION.

Mission is not simply a “program.” It is an intentional, significant period in one’s life—a dedicated time to serve the world, to offer oneself fully, and to lay a deep spiritual foundation with God, our Heavenly Parent.

It is a time to experience joy through meaningful mission work, expand one’s heart, and become anchored in a life of purpose.

GOD’S DREAM, *MY DREAM*

We believe that God has a dream — and when we make it our own, we can help bring that dream to life.
