Next Gen Mission

Hope everyone reading had a wonderful Thanksgiving, and hello to December! Here are some photos of how the missionaries celebrated the holiday together.

As the weather is getting colder, please keep the missionaries in your prayers so they can stay safe, healthy, and warm.

This is an excerpt of a testimony from team leader **Shiori Watanabe**:

“

“...Then I realized something important: Until now, I had always been worried about myself and wasn't able to stand on the frontline of my team or NGM. But that day, as I fundraised side-by-side with my members, facing challenges together, I truly desired to become the one who stands first, who breaks through first for the sake of the team.

And just like our slogan, *'Breakthrough, From Faith to Fulfillment,'* my heart became reality, and I was able to reach the goal.

...When I made up my mind to stand on the frontline for my members, I could meet the heart of True Mother—who stands far, far ahead of us and receives all the challenges and persecution on our behalf. Because of the experience Heavenly Parent gave me, I now feel and determine that I want to stand on the frontline together with True Mother—not behind, but beside Her in heart.”

”

The Mother of Peace, Holy Mother Han, Dr. Hak Ja Han has been unjustly arrested in South Korea. Let's stand together, not to just protect our movement, but to protect freedom itself.
