Mission Weekly Newsletter

Welcome to Mission 3.

The senior class missionaries have arrived safely in their respective countries. Next week, updates on what each country is doing will be reported.

The junior class prepared their hearts and minds in Indiana through the snowy weather. With lectures from the staff, they prepared practically and spiritually to best contribute to their mission.

For the next 7 weeks, the junior class will be in the following communities:

- Bay Area, CA
- Chicago, IL
- Clifton, NJ
- Denver, CO
- Washington, D.C.
- Little Rock, AR

- Minneapolis, MN
- and Montreal, Canada!

Please pray for our junior missionaries!

Goodbyes were also said to the Heavenly Top Gun missionaries Hanta Catalan, Haruna Kimura, and Satori Higashi, who have concluded their time with Next Gen Mission. They will move on to another mission elsewhere in the world.

Since August, these three have served as team leaders in the program, guiding the junior class spiritually. We thank them for their investment in the mission program and wish them all the best in their future endeavors.

Applications for the Next Gen Mission year 2026-2027 are now open! If you know someone who is going to be a high school graduate or equivalent, or is looking to deepen their character, life of faith, and relationship with God and True Parents, encourage them to look here.
