[Next Gen Mission](#)

Senior Class Missionaries

Project Orenda is coming to an end, with all teams wrapping up the adventuring portion of the program. Teams participated in many outdoor activities, from hiking and swimming to white-water rafting and even jet skiing!

The participants also had the opportunity to connect with each other, learning about themselves, each other, and our Heavenly Parent. With content and readings prepared by the senior class missionaries, they were able to go deeper within themselves and with each other.

Starting tomorrow, all of Project Orenda will gather back on the Spiceland National Youth Campus for the conclusion workshop. They will reflect and wrap up their experience, and have memories that will last a lifetime.

Junior Class Missionaries

The junior class is still out on their respective summer activities, whether it is Ocean Challenge in Kodiak, Alaska, or backpacking in Washington. Enjoy these photos of their experiences.

Important Announcements

Graduation is happening July 25! RSVP deadline is July 20. **Next Gen Mission will not be able to provide any lodging or transportation.**

RSVP for Mission Graduation 2026

Please fill this form out if you are planning to attend the Next Gen Mission 2026 Graduation Ceremony on July 25th, 2026, in person.
