Next Gen Mission

Halfway through the Fall Fundraising Condition, the missionary teams are working hard throughout the Midwest and in the Southeast.

Enjoy some pictures of the missionaries on the frontline.

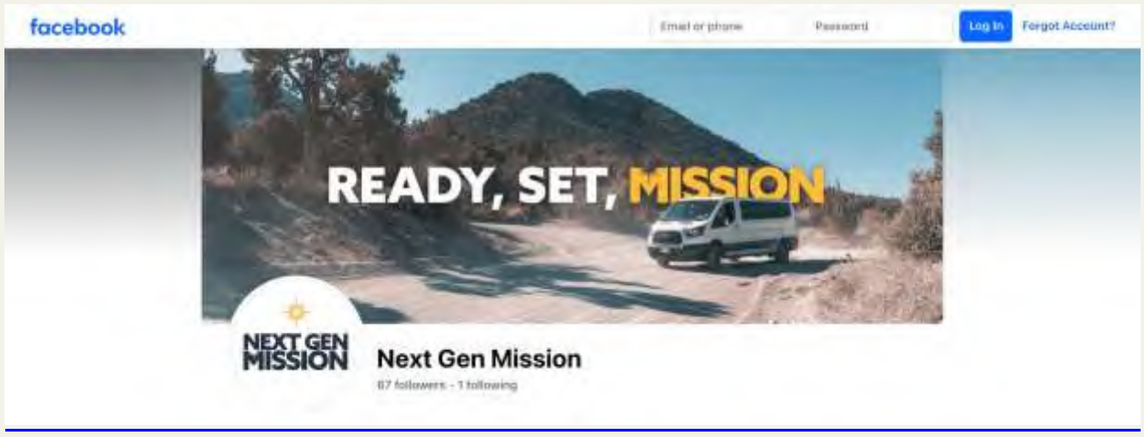

Let's take this time to share some other ways to be connected with the Mission program!

Here is our *Instagram* page, where we regularly share updates about the workshops and events run by the mission program, and where the missionaries themselves create lighthearted, fun content showcasing missionary life.

Here is our *Facebook* page, where we share more detailed content and more pictures from the workshops. This is where we occasionally also share our livestream for big events such as our graduation.

Lastly, this is our *website*, where we upload all pictures throughout the year, put up the application, share application deadlines, and have more in-depth information about the mission program overall.

THIS IS MISSION.

Mission is not simply a “program.” It is an intentional, significant period in one’s life—a dedicated time to serve the world, to offer oneself fully, and to lay a deep spiritual foundation with God, our Heavenly Parent.

It is a time to experience joy through meaningful mission work, expand one’s heart, and become anchored in a life of purpose.

‘MISSION’ STATEMENT

Next Gen Mission exists to raise the next generation of young people through a year-long mission experience of serving the world and realizing our Heavenly Parent’s dream.

GOD’S DREAM, *MY DREAM*

We believe that God has a dream — and when we make it our own, we can help bring that dream to life.
