

Lithuania Holds Second-Generation Workshop

Aram Karagezian - February 20-23, 2020

“Shining Rays of Love and Truth” was the theme of a winter workshop held in Vilnius, Lithuania, from February 20 to 23 for second-generation children between 7 and 12 years old.

There were many activities, such as games, arts and crafts, sports, testimonies and lectures, which mainly were organized by the elder second generation of Lithuania.

The participants had a lot of fun while receiving important life lessons and learning to be true children of God.
