Heavenly Asia Pacific 1: International Association for Youth and Students for Peace in Cambodia (IAYSP – Cambodia) High School Youth Orientation

On January 24 and 25, 2023, the International Association for Youth and Students for Peace in Cambodia (IAYSP – Cambodia), in collaboration with FFWPU-Cambodia, organized the High School Youth Orientation in two different high schools in Kampongspueu province, Cambodia.

The main objective of the youth orientation was to give lectures to grade 12 high school students on the importance of character education and balance education, which are essential for Cambodia's future growth and development. Another objective of the orientation was to introduce the activities of FFWPU and IAYSP organizations, and to train and prepare the students as future leaders through seminars.

The students who participated in the orientation expressed their sincere gratitude to FFWPU and IAYSP for providing them with helpful guidance and hope for their future. At the end of the event, YSP Cambodia presented the students with a gift, which they had prepared in advance, namely, the autobiography of True Mother ("Mother of Peace").
