### **New Home for the Next Generation Campaign**

Dear Brothers and Sisters,

We are excited to share a historic moment for our movement: the launch of the Next Gen [National Property Campaign](#) - an effort to establish the first-ever permanent home for the Next Generation Department.

For decades, our youth and young adults - including the Next Gen Mission program (formerly GPA) - have never had a place to call home. We have trained in borrowed spaces, held programs in rented facilities, stored equipment across three or four states, and moved constantly.

But now the time has come to build a foundation of our own. Our new national property in Spiceland, Indiana will be:

A home for Next Gen Mission,

A home for national youth and young adult workshops,

A home for BCSF, leadership schools, retreats, seasonal programs, and future generations, And a place where thousands of young people will discover their identity, meet God, and grow as leaders. Together, we can build something truly lasting - a center of hope for the future of our movement.

### **Individual Sponsorship Tiers**

We have tiers starting \$100, which (as per tradition) will get your name on our donor wall. \$1000 tier which will also give you the opportunity to come to the property for free for your first event/workshop. And lastly \$5000 which will put your name on the hall of fame and you truly have become a founding father/mother.

### **Community Naming Competition**

Communities will compete in size-based categories for naming rights to buildings such as the cafeteria, main lodge, pavilion, cabins, or fire pit.

This is a moment for us to unite as One Family under Heavenly Parent and True Parents.

Let's build a home for our youth and a foundation for the next 100 years. If you are interested, [donate here!](#)

## For generations to come.

Your gift doesn't just support a property. It's making God's dream real *for the youth, by the youth.*

The Next Gen Department of Family Fed USA has found a permanent home for our national program (Next Gen Mission, formerly known as GPA). A place to host workshops, camps, festivals, and cultural events for organizations and members throughout North America. A sprawling former Girls Scouts property just 1 hour from Indianapolis, IN offers the facilities to not just sustain, but inspire the next generation of our movement.
