

## Heavenly Tribal Messiah Activity on Valentine's Day in Tallin, Estonia

Avo and Olga Martinson  
February 14, 2019

Today, on a sunny day on Valentine's Day in Tallinn's Old Town, 30 beautiful married couples from around the world and 8 single people received the Blessing!

We gave them greeting cards with words about family and our contact details.

We took pictures of them and their names.

People were very grateful and some made a donation.

Amazing experience, we are grateful to Heavenly Parent and True Parents!!!
