August 31, 2019

By Olga Martinson, National Leader of Estonia

The family of Avo and Olga Martinson, National Leader of Estonia, held a Blessing ceremony for her relatives from Ukraine, a niece and her husband. The event took place on August 31, 2019. Relatives working in Latvia came to Estonia for a weekend visit. The young couple has been married for only one year. They are members of the Seventh-day Adventist Church. They embraced the Blessing ceremony with an open heart and went through the three steps of the Blessing. "We are very glad that thanks to the Blessing we have become even closer in heart to each other, to God and True Parents!" they said. Then on the same day the Blessed families, parents and children, went to the forest for mushrooms. It was a good opportunity to be together in nature and collect a lot of mushrooms, gifts of the forest.
