"Creating the Life Your Heart Truly Desires"

With Liisa Freystaetter

Sat., November 15, 2025, 10-11:30 am PT

**We all long for love, peace, and abundance
—so why aren't we living it?**

Because buried feelings and thoughts shape our reality. Our lives reflect what we've believed and felt most deeply throughout the years.

- Do you want a closer connection with your spouse?
- Wish your children would open up more?
- Wonder what's blocking your financial peace?
- Are there emotional causes affecting your health?

Join us to learn a simple, easy-to-use tool to release old emotions, reprogram false beliefs, restore peace, joy, and love, and begin creating the life you truly want and deserve. This presentation is based on the book "Feelings Buried Alive Never Die" by Karol K. Truman.

- Do you want a closer connection with your spouse?
- Do you wish your children would open up more?
- Do you wonder what is blocking your financial peace?
- Are there emotional causes affecting your health?
