# Caring For the Inner Child Webinar Recording

We are happy to announce  
a series of OEC workshops  
on

## CARING FOR THE INNER CHILD

Following an amazing test run with about 50 participants last year that exceeded our expectations, the Original Energy Code Team & the Blessed Family Department of Europe and the Middle East warmly invite you to a special series of workshops aiming at releasing energies of the wounded Inner Child from yourself and your ancestors.

**Participation is recommended for:**

- Leaders of the HPHC, BFD-leaders, OEC-practitioners, and supportive members the invited people choose to bring along

**The workshops will be:**

- Biweekly (once every other week)
- Mondays, Tuesdays, and Thursdays from 10 am-12 pm PT, 1-3 pm ET(choose one)
- Extra Tuesday option: 8-10 am PT, 11 am-1 pm ET (with Russian translation)
- Start: mid-March to the end of June
- Topics: Inner Child issues from conception till puberty, plus one workshop on parenting
- Cost: Donation of your choice

**Why join?**  
This is a good opportunity to care for yourself and your ancestors and builds a foundation to better care for others. We hope to start a wave of healing for brothers and sisters and their ancestors in this time of transition.

**Don't miss the free intro! Introductory webinar:** Sat, Feb. 14, 8-9 am PT, 11 am-12 pm ET (with Russian translation). <https://us02web.zoom.us/j/86240054731>

In mid-February, we will send the registration form. Please pray, if Heaven wants you to make this investment for yourself and your ancestors.

Best Wishes,  
**Kurt and Marea**

## Parenting is Leadership

by Myrna Lapres

Simon Sinek, American author, and inspirational speaker who focuses on leadership and business, has said that the closest thing to leadership is parenting and that we need to be an infinite student of parenting. He states that parenting is a lifestyle that begins with the commitment that "I am responsible for another human being." So how do we develop this lifestyle?
