

Our brother Melvin Mouton passed to the next life

John Triggol
March 1, 2018

Our brother Melvin Mouton passed to the next life after a long struggle with failing health.

Our community wants to send him to the eternal world with love and assurance that we will take care of his family left behind.

Melvin's wife, Virginia, and two daughters, Jong Sun and Tiffany remain.

Virginia and Melvin followed the missionary path for many years devoting their lives to witnessing and inter faith work with Christian ministers, forgoing worldly wealth or material security.

We would like to raise a small financial gift to defray funeral and memorial costs and give Virginia some time off work to manage this difficult transition. www.gofundme.com/mouton-family-fund
